While you are clarifying question 3 here are the answers to 1 & 2

1. Total individuals benefiting (total audience) - (through dec. 31) - 23,850 attendees
2. Total artists participating: 42 artist
3. clarify youth benefiting? is this quantified by numbers or yes no or is there a write up that needs to be done?

Thank you,

Hi Ben,

Regarding the "youth benefiting" request, do you mean if the programs benefited youth or how many youth attended?

Please clarify.
